IN HUN PRISON CAMP

SERG. EDWARDS TELLS GRAPHIC STORY OF GERMAN HORRORS.

CROWD HEARS WAR HERO

With Between 2,500,000 and 3,000,000 Prisoners all at Hard Labor, the Discipline Is Merciless.

The story of how 635 brave Canadians, members of the famous fighting regiment, the Princess Pats, attempted to hold the trenches against 24,000 Germans, of how they stayed and died for the honor of a regiment, the horrors and hardships of fifteen months in a German prison camp, his escape and recapture after a long series of thrilling adventures, as told by Sergeant Edwards at the Christian church last night, served to give a large audience a further realization of inhuman and cruel practices of the Huns and to fully agree with the speaker, who concluded his talk with the admonition: "We've not only got to do our bit in this war, but we've got to do our damnedest."

After hearing his story, a recital of actual experiences almost unparalelled, the wonder of it is that Sergeant Edwards is alive to tell it. It would seem almost impossible that any but an iron man could undergo the terrible things of which he told.

The most interesting part of his recital was of the treatment accorded men in German prison camps where Sergeant Edwards said the Huns had between 2,500,000 and 3,000,000 prisoners, the greater number being Russians, with many Belgians, French, British and Italians, all of whom are compelled to work in factories, mines and fields. The discipline is merciless and medical and sanitary attention has no part in their program wounded prisoners being left to care for themselves as best they can, and with huts and camps overrun with filth and vermin. The food, he declared, was hardly fit for animals, the black bread being made of barley and other unknown ingredients, the coffee of acorns, bitter and nasty. Little else except a watery soup once a day was all that is given them.

Sergeant Edwards said he was often asked, since coming to America, if the stories told of German crimes and inhuman practices were true. "The newspapers have not told one-half," he said, "and many things were forbidden to be told in the presence of women and children. Thousands of us have seen them, little Belgian and French children, with hands chopped off, boys with ears and noses cut off and otherwise maimed; mothers with their breasts slashed away, babies bayonetted fast to barn doors. I have seen bodies with as many as seventy bayonet holes in them."

"Another question I am often asked is, 'When do you think the war will end, and you know as much about it as I do. It is a guess with any of us, and for myself I do not see how it would be possible to end it under two years."

The story of his first attempt to escape, how he was hunted with dogs, fired upon, and how, when freedom was almost in sight, he was recaptured and taken back to be punished; how he and a companion slipped away again at night under cover of a storm and after a long series of adventures, privations and hardships, they succeeded in getting across the border to Holland and safety, reflected the spirit and determination of men who knew no defeat. So thrilling was the recital that the audience, often interrupting to applaud, ended it quickly, as if something the speaker might say would be missed.

At the conclusion of his talk Sergeant Edwards answered a number of questions asked by persons in the audience. The lecture was given under the auspices and for the benefit of the Maryville auxiliaries of the Red Cross.

Thursday, June 6, will be the last day for filing for county offices, according to County Clerk Fred Yeomans. No one has filed as yet on the Republican ticket and it is rumored that the ticket will be filled by the Republican county committee.

Miss Alma Tabler and Miss Edith Hartness returned Monday from Rock Port, where they attended the Epworth League convention as delegates from the local First Methodist church. Miss Tabler took part in the program, giving several readings. The convention next year will be held in Maryville.

REFUSED TO RETAIN MONEY

The money that was contributed by the boys who were given luncheon by the Red Cross yesterday at the Wabash depot, it was learned today, was not kept by the Red Cross, but was given to the conductor of the train when the men refused to receive it back, with instructions to use it in purchasing tobacco for them, at their next stop. The conductor willingly agreed to the request. A cup full of silver coins was given by the boys for the benefit of the Red Cross, but the ladies declined to have them deprive themselves of their change, and as they refused to take it back, the train official was made custodian of the fund.

HOME-COMINGEVENT

HARMONY PLANS BIGGEST ONE EVER THIS YEAR.

A CONSERVATION AFFAIR

Food Rules Will Be Observed in Preparation of the Big Dinner —Speakers and Details Later.

With the announcement of Harmony's home coming to be held on Sunday, June 16, comes also anticipation of fried chicken, delicious pies and savory salads, to which is also added good music and fluent speakers. Harmony folks are going to observe food conservation rules this year, but even such an announcement will not dampen the ardor and enthusiasm of hundreds who look forward from year to year to one of the biggest events in Nodaway county, for substitutes and wheatless and meatless rules do not bother the Harmony women. They can always be depended on to provide an ample spread, were it all to be made of substitutes.

The committees in charge of the home-coming have not yet announced the details for the day, as speakers have not yet been finally selected, but plans are being made for one of the biggest anniversaries that Harmony has ever held.

In preparing the dinner it is urged that no meat be used and that the crowds will just have to get along with sweet, juicy, fried chicken, or brown baked fowls filled with delicious dressing. In case there is a demand for variety the visitors will be treated to baked and crisp fried fish and juicy mutton with mint sauce—but meat, never. Bread also will come under the rule and none will be used containing more than twenty-five per cent of substitute, and as for pies, only two-thirds of the crust will be made of wheat flour. There is no food rule, however, that designates the kind or quality or quantity of "insides" of this attractive line of pastry.

Rev. C. R. Green, pastor at Harmony, is chairman of the committees in charge of the annual home-coming and further announcement of details will be made within a few days.

Mrs. E. T. Dale went to Eagleville today to spend several weeks with her parents.

Mrs. John Boggs, who has been visiting her daughter, Miss Mary Boggs, of the Normal faculty, left today for her home in Marlborough, Mass.

40 IN TODAY'S CASUALTY LIST.

Washington, June 4.—Forty casualties are announced today by the war department. Three were killed in action, two died of wounds and six of disease, nineteen of accidents and other causes. Eight were severely wounded, one slightly wounded and one taken prisoner.

SEE BEEF DEMONSTRATION

At 7:30 o'clock this evening the women who are attending the government training school for housewives under the direction of Miss Bertha Beal, county chairman, will be given a lesson on the different cuts of beef by August Stapler, who will cut up a beef in the Stapler market before the assembled class. Mr. Stapler will also explain the food values of the different cuts and give all the information he can to the women that will aid them in the purchase and understanding of the economic value of meat.

The women are asked to meet promptly at the hour designated so there will be no delay in the work. The demonstration is the closing lesson of a two weeks instruction given the class on meats, fat substitutes, poultry and fish.

The study this week will be on milk and eggs and cake baking. Miss Arlie Hulet, who is head of the domestic science department of the Clinton, Oklahoma school, instructed the class yesterday, and will also take the Wednesday class. Miss Curnutt had charge of today's class and Miss Laura Curfman will conduct the Thursday lesson. The classes at Parnell and Hopkins will be taken this week by Miss Wave Hulet and Miss Katherine Carpenter.

Lambert Y. Stephens, formerly a messenger on the Wabash between Moberly and Omaha, now with headquarters company at Camp Mills, L. I. has also been given a sergeancy.

U-BOAT TOLL GROWS

GERMAN SUBMARINE SHELLS LIFEBOAT WITH SURVIVORS.

CAPTURE UN-CONFIRMED

Believed There May be Several Under-seas Boats off Coast — Reports May not Yet be Made Public.

Washington, June 4.—The navy department had additional facts to reveal today regarding the submarine raids off the Atlantic coast. Overnight reports, it was explained, were not of a character that could be made public at this time. Reports via Norfolk and Brooklyn that a submarine had actually been captured and taken to the Brooklyn navy yard are not confirmed here. Every possible measure to meet the menace is being taken. Estimates of the number of German submarines that have been operating along the coast still vary, with some declaring that three ar eat work and others that five have been sighted. While officials are convinced that some of them are of a superior type the navy has ruled against making public any information regarding them under the present circumstances.

New York, June 4.—Three hundred passengers and crew of the passenger steamer Carolina have been picked up and, according to information, the City of Columbus is safe in harbor. As a precautionary measure all illuminating lights of New York except street lights will be turned off.

Atlantic Port, June 4.—Indisputable proof that the German submarines shelled the lifeboat containing the survivors of the steamer Carolina was brought here today by a Danish steamship, which picked up a bullet-riddled motor life boat from the Carolina yesterday. The fate of passengers who sought safety on this boat is unknown.

New York, June 4.—Nineteen passengers missing from the steamship Carolina landed at Lewis, Del., today. The fate of two hundred passengers and a hundred and twenty of the crew is not known. Two of the passengers landed were women.

Atlantic Port, June 4.—An American tanker, Gadly, was damaged as a result of an encounter with a submarine and was towed into port today. All information is withheld.

Boston, June 4.—City of Columbus is safe in the opinion of owners, who claim it is safe off Vineyard Haven.

AGED INDIAN DIES SUDDENLY

John George, an 80-year-old Indian, died about six o'clock yesterday evening at the home of Mr. and Mrs. G. W. Cain, eight miles south of Maryville, where he had been since last Friday.

George was a resident of the reservation in Jackson county, Kansas, and was driving through the country selling spoons and bowls of his own carving. He was seized with an attack of stomach trouble on Friday and was given lodging by Mr. and Mrs. Cain.

George is said to have been dissatisfied on the reservation. His son states that he has visited this part of the country before.

George is survived by five sons, one of whom, James George, of Reserve, Kans., is in the city making funeral arrangements. Another son, William George, will arrive from Reserve tonight. Funeral arrangements have not been completed.

KELLY TAKEN TO ASYLUM

Following an examination into his sanity before the county court today, Hugh Kelly, serving a jail and labor sentence for having beaten his wife, was ordered sent to the asylum at St. Joseph this afternoon for treatment. Kelly has acted queerly since his arrest last Wednesday night and last night at the jail caused the police considerable concern, became almost violently insane and barricading his windows with a mattress to prevent the entrance by the crowd that he declared was after him. Kelly was unable to talk coherently when questioned by members of the court. He was examined by both the city and county physicians and pronounced of unsound mind.

AMERICANS JOIN FOCH'S RESERVES

SMASH BACK AT GERMANS CROSSING THE MARNE FORCING A RETIREMENT.

CROWN PRINCE'S SWEEP TO PARIS FRUSTATED

Teutons, However, are not Abating Their Efforts, and Fresh Troops are Being Hurled Against the Reserves.

Paris, June 4.—American reinforcements have reached the Aisne-Marne front and have taken their place on the most vital part of the line north and south of the Marne river. The Americans fighting with Foch's reserves attacked the Germans at the crossing of the Marne in the sector of Jaulgonne, throwing them back across the stream. The Germans suffered severely in the fighting.

Paris, June 4.—The Germans have again been balked in their efforts to sweep on to Paris. All of the crown prince's attempts to extend his gains on the Aisne-Marne battlefield in the past forty-eight hours have been frustrated and at numerous points the French have driven forward, capturing highly important ground. There has been no abatement in the intensity of the battle, however, and the Germans continue to hurl their reserves against the solid phalanx of the Allies only to be thrown off by the sturdy resistance.

The Germans redoubled their efforts between Ourcq and the Marne river and west of Soissons. South of Scissons there was a desperate fight about Oustchoasy, and five times this blood-soaked piece of ground changed hands, but is now firmly held by the French. Heavy losses have been inflicted on the Germans all along the line. In most of the counter attacks the French drove forward with fixed bayonets knowing that the Germans have no taste for cold steel.

London, June 4.—The German artillery has been active in the sectors of Albert and Serries, the British war office announced.

A PARIS AIR RAID FAILS.

Paris, June 4. — German airmen made another effort to attack the city last night but met with poor results.

Bert Evans and Sidney Masters were up before Mayor W. O. Garrett yesterday evening charged with having imbibed a bit too freely of bottle booze. The court thought $5 and costs was little enough to ask for their unseeming hilarity. They paid.

REGISTER JUNE 5

DIRECTIONS FOR THOSE BECOMING OF AGE ARE GIVEN.

Wednesday is registration day for all young men who have become of age since last June 5. All registrants will be made at the office of the draft board in Maryville, where the following questions will be asked. Men who are eligible for registry should read them carefully in order that answers may be readily given when asked.

The questions:

1—NAME IN FULL. AGE IN YEARS.

Give your first, middle and last name, and your age in years, disregarding months, weeks and days.

2—HOME ADDRESS.

Give the street and number, the village or city, and the county and state in which you reside, as "232 Main street, Chicago, Cook County, Ill.," or "R. F. D. No. 2, Jonesville, Ohio."

3—DATE OF BIRTH.

Give the month, day and year of your birth. To be required to register you must have been born in 1896, in a month and on a day subsequent to June 5, or in 1897, in a month and on a day prior to or on June 5 of that year.

4—WHERE WERE YOU BORN?

First name the city or town, then the state or nation; as, "Columbus, O." "Vienna, Austria," "Paris, France," "Sofia, Bulgaria."

5—ARE YOU (1) A NATIVE OF THE UNITED STATES; (2) A NATURALIZED CITIZEN; (3) AN ALIEN; (4) HAVE YOU DECLARED YOUR INTENTION TO BECOME A CITIZEN; (4) OR ARE YOU A CITIZEN OR NON-CITIZEN INDIAN? (SPECIFY WHICH).

(1) If you were born in the United States, including Alaska and Hawaii, you are a native of the United States, no matter what may have been the citizenship or nationality of your parents. If you were born abroad you are still a citizen of the United State if your father was a citizen of the United States at the time you were born, unless you have expatriated yourself.

(2) You are a naturalized citizen if you have completed your naturalization; that is, if you have "taken final papers." But you are not a citizen if you have only declared your intention to become a citizen (that is, if you have only "taken out first papers.")

You are also a naturalized citizen if, although foreign born, your father or surviving parent became fully naturalized while you were under twenty-one years of age, and if you were in the United States at the time you attained the age of twenty-one.

(3) You are a declarant if, although a citizen or subject of some other country, you have declared before a naturalization court your intention to become a citizen of the United States. Receipt from the clerk of the court of the certified copy of such declaration is often called "taking out first papers."

(4) An Indian is a citizen if (1) he, or his father or mother, prior to his birth or before he attained the age of twenty-one, was allotted prior to May 8, 1906; (2) if he was allotted subsequent to May 8, 1906, and received a patent in fee to his land; (3) if he was residing in the old Indian Territory on March 3, 1901; (4) if he lives separate and apart from his tribe and has adopted the habits of civilized life.

(5) If you do not fall within one of the four classes above mentioned, you will state that you are an alien.

6—IF NOT A CITIZEN, OF WHAT NATION ARE YOU A CITIZEN OR SUBJECT?

This need be answered only by those who are classified as aliens or declarants. If an alien or declarant, state the name of your country, as "France" "Great Britain," "Germany."

7—FATHER'S BIRTHPLACE.

First name the city or town, then the state or nation; as "Columbus, Ohio;" "Vienna, Austria," "Paris, France," "Sofia, Bulgaria."

8—NAME OF EMPLOYER. PLACE OF EMPLOYMENT.

If you are working for an individual, firm, corporation or association, state its name. If in business, trade, profession, or employment for yourself, so state. If you are an officer of the state or federal government, say whether your office is under the United States, the state, county or a municipality. In answer to the question as to the place of employment, give the street and number, the village or city, and the county and state where you work; as, "232 Main street, Chicago, Cook County, Illinois;" or, "R. F. D. No. 2, Jonesville, Ohio."

9—NAME AND ADDRESS OF NEAREST RELATIVE.

If you are married and your wife is living, her name should be stated. If you are single or your wife is dead, you should state the name of your nearest blood relative. In stating the address give the street and number, the city or village, and the county and state, or if your nearest relative does not live in the United States give the name of the city or village and the nation, as, "Liverpool, England."

10—RACE—WHITE, NEGRO, INDIAN OR ORIENTAL.

No explanation necessary.

"GREEN STOCKINGS" PLEASED

"Green Stockings" wasn't at all shocking. In fact, the stockings had little to do with the play presented last night by the graduating class of the Normal except to add a spicy flavor to the confection. Those of the large audience who would have been pleased with a shocking, however, were equally pleased with the witty lines of the play. "Green Stockings" is a thoroughly amusing and up to date comedy written by A. E. H. Mason, with Margaret Anglin in the leading role. A royalty is charged for its production. The cast was picked and rehearsals conducted by Prof. Henry A. Miller.

Belle Mulholland, taking the part of Celia, was the star of last night's performance, both in the part she played and in acting ability. Opposite her was Jay Goodman, who needed only the uniform with "green thingamajigs up and down the front" to complete his portrayal of Colonel Smith. Co-star with Miss Mulholland was Mary Lewis, who played perfectly the part of the youngest sister, a charming and pretty, but thoughtlessly selfish girl of 20. Forrest Brown was very natural in his part as Robert Tarver, an empty-headed swell.

Don't Let Catarrh Drag You into Consumption

Avoid Its Dangerous Stage.

There is a more serious stage of Catarrh than the annoyance caused by the stopped-up air passages, and the hawking and spitting and other distasteful features.

The real danger comes from the tendency of the disease to continue its course downward until the lungs become affected, and then dreaded consumption is on your path. Your own experience has taught you that the disease cannot be cured by sprays, inhalers, atomizers, jellies and other local applications.

S. S. S. has proven a most satisfactory remedy for Catarrh because it goes direct to its source, and removes the germs of the disease from the blood. Get a bottle from your druggist today, and begin the only logical treatment that gives real results. You can obtain special medical advice without charge by writing to Medical Director, 27 Swift Laboratory, Atlanta, Ga.

CALLS FOR 794 VOLUNTEERS

The local draft board has received instructions to accept volunteers for additional quotas of men to take special training at various institutions prior to being enlisted for service. The exact number of men the board will be required to supply has not yet been announced.

The calls are as follows: Men to report to the receiving officer of the board of education at St. Louis for training as machinists, blacksmiths, gas engine men and draughtsmen.

Men for classes at Washington University at St. Louis in preparation for gas engine men, electricians, carpenters and bench wood workers.

Men for the Rolla School of Mines for training in mining.

Men for the State University, Columbia, Mo., for training in tractor, motor cycle, traction drivers and mechanics.

The call for volunteers for these classes will remain open until June 7 when the draft board is required to report the number of men available to the provost marshal. Men who are contemplating the service are urged to take advantage of these calls. Registered men may secure permission to enlist by applying at the draft board.

The number of men required from Missouri in the four calls named is 794.

Charles Wright of McPall, Mo., was a visitor in Maryville Saturday and Sunday.

For Itching Torture

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with zemo, which generally overcomes all skin diseases. Acne, eczema, itch, pimples, rashes, blackheads, in most cases give way to zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c; an extra large bottle, $1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

PAINS IN BACK AND SIDE

Yield to Lydia E. Pinkham's Vegetable Compound.

Kansas City, Kansas.—"I suffered from pains in my back and side caused by a functional derangement. I was nervous and had headaches most of the time. So many people recommended Lydia E. Pinkham's Vegetable Compound to me, I tried it and after taking six bottles I am well. I do not think the Vegetable Compound can be beaten for woman's ailments."—Mrs. L. Timmerman, 3011 N. Hutchings St., Kansas City, Kansas.

Women who suffer from headaches, nervousness, backache, the blues and other symptoms of a functional derangement should give this famous root and herb remedy a trial.

For forty years it has been overcoming such ailments of women after other medicines have failed.

If you want special suggestions in regard to your condition, write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of long experience is at your service, and your letter will be held in strict confidence.

DEATH OF MRS. RALPH LOGAN.

Young Burlington Junction Mother Is Survived by Husband and 3 Children.

Mrs. Ralph Logan, 27 years old, died at 1 o'clock this morning at her home four miles south of Burlington Junction. She is survived by her husband and three children, one a baby, born last night. Her parents and several brothers and sisters of Corning also survive her. Funeral services will probably be held at 2 o'clock tomorrow afternoon at the Christian church in Quitman, the Rev. S. D. Harlan officiating. Burial will be in the Quitman cemetery.

Mr. and Mrs. C. W. Yehle and family were visitors at Big Lake Sunday.

COUNTY TEACHERS' EXAMS

Next Friday and Saturday examinations will be held for Nodaway county teachers, when several hundred young men and young women will be given tests to determine their qualifications to teach in the public schools. The examinations will be under the direction of County Superintendent Bert Cooper and his assistants and will be conducted at the high school where several rooms will be used to accommodate the teachers expected, many of whom will be from other counties.

The increased salaries that are being paid in many school districts and the scarcity of young men has led to a large number of young women entering this field. Many rural schools have increased the salaries of teachers as much as thirty-five per cent.

Guarding Our Lines

Guarding our lines is like guarding our health—we must encourage the care of our bodies—train our organs for bodily endurance, efficiency and full achievement. It is not so much a necessity to fight disease as to cultivate health.

If we want to increase our chances for long life—Dr. Pierce, of the Surgical Institute, Buffalo, N. Y., says: Keep the kidneys in good order. Try to eliminate through the skin and intestines the poisons that otherwise clog the kidneys. Avoid eating meat as much as possible; avoid too much salt, alcohol, tea. Try a milk and vegetable diet. Drink plenty of water, obtain Anuric (double strength) for 50c at druggists, and exercise so you perspire—the skin helps to eliminate toxic poisons and uric acid."

For those easily recognized symptoms of inflammation, as backache, scalding "water," or if uric acid in the blood has caused rheumatism "rusty" joints, stiffness, try Anuric. Send Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., 10c for trial pkg.

Kansas City, Mo.—I suffered terribly with rheumatism in my arms, shoulders, knees, and in the small of my back. Then it became so bad that for three weeks I couldn't do a hand's turn for myself. I was very much discouraged. Some one suggested Anuric to me. About the third day I felt the pain growing less and before the first week was up it had almost disappeared. It is now ten days since I started to take Anuric and I feel just fine and for the last two days have been able to do my housework with absolute comfort.—Mrs. Carrie Ingram, 2128 Bellefontaine Ave.
